

A Player's

First Tournament

Welcome First Time Tournament Attendees!

Whether you have zero Masterpoints or hundreds—you will be welcomed to enjoy all that Tournament Bridge has to offer the Bridge Enthusiast! After all...Intermediates and Newcomers (I/Ns) are our future 😊

Bring-A-Buddy

Experienced Tournament Attendees can contribute to the success of a Newcomer AND the bridge community by encouraging “newbies” to attend their First Tournament...”Bring a Buddy”.

When an Experienced Participant brings a First Timer over to the I/N Table, both will receive a Free Play Coupon for one game.

Since the Experienced Tournament Attendee is likely to play in a higher level game, the Unit will have a Partner to play with the First Timer — read about our I/N Ambassador Program.

~Great things about Tournaments~

1

FULL IMMERSION BRIDGE

Stay at the hotel/resort and get into the full-swing.

2

EXPAND YOUR BRIDGE COMMUNITY

Make new bridge friends who play at other clubs besides your own.

3

BIG GAMES

At all skill levels players can earn the pigmented points needed to become a Life Master!

Red Balloon Markers

These balloons mark the locations where Newcomers will find assistance and/or buy Entries.

I/N Table

Volunteers at this table answer questions, provide Free Play coupons, and assist in finding an I/N partner or Ambassador if one is needed for a single game.

I/N Ambassador

If a First Time Attendee does not have a Partner we will fix you up for your first game.

EITHER: **1.** Play with another unmatched First Timer OR **2.** Play with a Volunteer in a NonLife Master Game.

Newcomer Host

A Unit 174 Member will guide Newcomers through the facility...take you to the I/N Table, help you get your Free Play Coupon, show you where you get your Entry and where you will start your bridge game.
